Dedication

Dr. M. Marcus Kiley

It is with the pride and affection held by sons and daughters for a wonderful father that the students of Technical High School dedicate their 1963 TIGER to Dr. M. Marcus Kiley, retired deputy superintendent of the Springfield Public Schools and principal of Tech from 1940 to 1949.

We know that other fine leaders preceded Dr. Kiley at Tech, but they were before our time. Here is the man associated in our minds with most of the causes for the outstanding reputation our school has made.

As Principal Gifford so well said: "At first Tech was Mark, Mark was Tech. In fact, even though his scope has necessarily broadened in the past several years, one suspects that good secondary education and Tech are somewhat synonymous in his thinking even today."

Dr. Kiley came to Tech as a chemistry teacher in 1921, and became its assistant principal in 1936. For forty years he dedicated himself to the welfare of the young people of this city.

Many of his ideals have been accepted far and wide across the nation. His devotion to mathematics and science has made Springfield a leader in these fields which are so important to present-day America. His standards were always high; his dislike for second-rate effort evident to all who knew him.

Tech will always remember and honor Dr. Kiley.

"Great faith he had in youthful hand and mind
Working with God to benefit mankind."

As we mirror our last three years at Tech, we will remember our able leader Mr. Gifford and his two assistants Mr. Lynch and Mr. Jackson. We will also recall the counselors, who were instrumental in guiding our paths at Tech, and the efficient office staff, without whom the school's administration would not be able to function. The combined efforts of all these devoted people have helped to make Tech the superior school that it is.

In each senior's memory there is one definite spot set aside just for his teachers. Oh! how constant were our complaints about the "tons of homework" or the "unfair C," but how really grateful we are to these teachers who have guided us through high school. This faculty, which not only taught us our A-B-C's, but also set our standard for good citizenship and success and willingly helped with all our extracurricular activities from the Ski Club to Tech Tantrums, will always hold the spot foremost in our memories.

New Teachers

SEATED left to right: Mr. Pino, Mrs. Linda Hennessey, Mr. Cary. STANDING: Mr. Karavetsos, Mr. McGrath, Miss Nelson, Mr. Cook, Mr. Smedberg.

This year there have been eleven additions to the Tech faculty. They are Mr. William Cary, English; Mr. Kenneth Cook, mathematics; Mrs. Linda Hennessey, girls' physical education; Mr. Ernest Karavetsos, history; Mr. Martin McGrath, mathematics; Miss Morin, chemistry; Mr. Michael Pino, shop and drawing; Mr. Carl Smedberg, mathematics; Mrs. Harriet Widland, English; Mr. Edwin Allen, driver education; and Mr. Ralph Murphy, music.

Mr. William Cary is a graduate of Dartmouth College and the University of Massachusetts. He formerly taught at Maloney High School in Connecticut.

Mr. Kenneth Cook graduated from Tech in 1950 and attended Wesleyan College. He previously taught at Classical Jr. High and Northfield High.

Mrs. Linda Hennessey is an alumna of Darien, Connecticut, and of Bouve Boston School at Tufts University. Mrs. Hennessey had been teaching at Wachusett Regional High School in East Holden, Massachusetts.

Mr. Ernest Karavetsos attended Classical High in Lynn, Massachusetts, received his Bachelor's degree from Salem State Teachers' College in 1961 and his Master's from the same college in 1962.

Mr. Martin McGrath attended Holyoke High School, received his B.A. from the University of Massachusetts and his M.A. from American International College. He formerly taught at Simsbury, Connecticut and Duggan Jr. High.

Miss Irene Morin received her B.S. at Our Lady of the Elms College and her M.S. at Boston College. She has been at Providence College in Rhode Island, giving nurses a complete science background.

Mr. Ralph Murphy, taking over for Mr. Kegerreis, graduated from Juilliard School of Music and has been teaching music at Buckingham Jr. High for the past six years.

Mr. Michael Pino, who teaches shop and drawing, graduated from Classical High School, attended Western New England College and received his Master's degree at Westfield State Teachers' College.

Mr. Carl Smedberg attended the Massachusetts Institute of Technology for two years. Western New England College for one year, and was graduated from Springfield College. Mrs. Harriet Widland substituted at Tech last year and is now a permanent substitute in our English Department.

Mr. Edwin Allen, our new driver education teacher, is an alumnus of Ludlow High School and Springfield College. He formerly taught at West Boylston and Myrtle Street Junior High.

In Memoriam

CHARLES R. ALLAN

March 8, 1902 -- February 20, 1963

From September 1930 to February 1963, Technical High School had been graced by the presence of Charles Reid Allan, a gentleman and a scholar, a beloved teacher and a highly respected and admired colleague. Although keenly interested in his subject, physics, he was more interested in his students, and strove to stimulate their minds in the direction of ever greater achievement. Fortunate were those young people who came under his benign and constructive influence and learned his meticulous way of doing things. He was devoted to the aims and ideals of this school and put his whole heart in his work. Of him it may be truly said he was a great teacher.

His death has been an irrevocable loss to all of us, for he combined in his person those qualities of character, mind, and spirit which have inspired us in the past and will continue to do as long as Tech endures. His memory is a blessing.

EDUCATIONAL CHALLENGE

FACULTY CANDIDS

"Watch it there, Bill."

Now that we have completed our three years at Tech, we can look back and see the wonderful experiences we have had. We will always remember our first wary days as freshmen, but how quickly we became adjusted to the fast-moving high school life. We will also remember, of course, the class dances we attended and the many other activities in which we participated.

As seniors we "took over," (or so we thought), and this proved to be our most exciting year. During this year we began to think about our career or college plans, and to discuss these plans with our friends and counselors. Toward the end of the year, however, we began to regret our leaving because it meant having to part with old friends.

Looking back upon our years at Tech is a pleasure for us, and we hope that all future senior classes will be able to recall their three years here with as much enjoyment and satisfaction.

SENIORS . . . SENIORS . . .

Warner

KATHY O'SULLIVAN

Scholarship, service, citizenship -- these are the criteria by which each year are selected the winners of the Charles H. Warner Achievement Medal, Tech's highest award. This year's winners could not have been better chosen.

Endless energy, inexhaustible friendliness, bubbling laughter, and complete devotion to Tech's tradition and spirit characterize Kathy O'Sullivan, daughter of Mr. and Mrs. Maurice O'Sullivan of 383 Nottingham Street. With executive positions in both her class and the Student Council, and interests ranging from music, science, debating, and chess to news editing, cheerleading, and Tantrums - cavorting, Kathy indeed typifies the best that any school can put forward.

Achievement

MAX POLAK

Scholarship: first in a class of 475; service: offices in Mu Alpha Theta and Engineering Clubs and membership in the Student Patrol; citizenship: the high regard of both his teachers and his fellow students -- these are the qualities which led to the selection of Max Polak, son of Mr. and Mrs. Stanley Polak of 54 Hyde Avenue.

Quietly capable, modestly excellent, Max is a talented musician, mathematician, and Latin student, and the winner of the Harvard Book Award, given annually to the outstanding Junior boy. Max has continued to be outstanding in his senior year, crowning his achievements with this medal, the highest acclaim Tech can give.

Tech's very best wishes go to both Kathy and Max.

We will always remember our first year at Tech, when we freshmen went against tradition by electing a girl as our class president. Our officers for that first year were Diane Nelson, president; Wayne Fisher, vice-president; Kathy O'Sullivan, secretary and Pat Connor, treasurer. It was in that year, too, that we danced to "April Amour," our first dance.

During our junior year, John Marnelakis took over as president. Kathy and Pat remained as secretary and treasurer respectively, and Diane became our vice-president. The first dance of our junior year, "Misty," gave our class activities a fine start, while our junior prom, "Sinar Bulan," climaxed this exciting year.

As seniors we elected John Pietroniro as class president, re-elected Diane and Kathy as vice-president and secretary, and elected Mary Jane Bishop, treasurer.

We, the class of 1963, being of mutilated mind and battered body from both mental and physical overexertion, do hereby and hereon, solemnly and sincerely, without any equivocation or mental reservation, will and bequeath to our most deserving successors in hopes of preserving at least one remnant of our three grueling years at T.H.S. in its most exalted history the tidbits of dregs as follows:

Larry Thompson leaves forty-two issues of "Hot Rod" Magazine with interpretations to Mr. Reynolds's auto shop. The Tech Crew wills 300 surplus boxes of candy to Harry Vatousiou.

Pat Crutchfield leaves Mr. Hannigan to Betty Burgess.

Pat Martin entrusts to the girls of '64 the first floor girls' room.

The class of '63 leaves Mr. Doyle "in good hands with All State."

The boys from second lunch entrust two unadulterated milk cartons to Mr. Grace.

The senior class leaves a new tie to Mr. Bushey's compass.

John Farrell wills one bent piccilo to Mr. Warren Myers.

The sixth period Trig. Class bequeaths an answer book with the correct answers to Mr. Butler.

Homeroom 115 would like the class of '66" to care for their 30,000 tardy cards.

Ruth Zoller leaves peace and contentment with Mr. Wilkie.

The Senior Class bequeaths elevated shoes to Mr. Sprague.

Ken Serra inherits Don Martin's physique.

Cynthia Linke entrusts her Duncan Hines boxes to next year's Betty Crocker.

Ed Stepherison would like Mr. Peabody to have his instant H₂O tablets.

Pat Mackay wills her can of hair spray to Yul Brenner.

Anne Roche leaves one pair of runless nylons to any unsuspecting freshman.

Alex Carleton surrenders his tight swim suit to someone on next year's swimming team.

The fourth period English class would like Mrs. Tabackman to have the book entitled NEW WAYS TO BEWILDER STUDENTS.

Shirley Small bequeaths a stick of chap-stick to Terry Campfield.

Mary Lynn Beaulieu and Roseann Arnold leave two goldfish to Miss Potter.

Chris Orton willingly gives her big mouth to the next cheerleader captain.

Roger Gosselin and Linda DeMarinis leave any dark corner to some unknown couple.

To Joyce Bator, Carole Hearn bequeaths a slightly used blonde hair piece.

The cheerleaders leave their headaches to Connie Lareau.

Rod Croteau wills his locker full of rancid lunches to the City Health Department.

Lana Stutz leaves her lunch table of boys to some lucky junior girl.

Wayne Fisher might leave.

Linda La Morder bequeaths her high kicks and sore muscles to next year's chorus line.

Jim Plumb leaves his embarrassment to John Drummond.

Bert Checchini wills his clever puns to anyone with an I.Q. of 20.

Phil Bilodeau entrusts an American problem to Mr. Dunn.

Jim Fortier parts without his pet suspenders, leaving them to next year's Dino.

Pete McGovern leaves school and won't come back.

Paul White inherits Ken Gordon's little black book.

Dianne Bailey bequeaths Aloysius to the Forest Park Zoo.

Lorraine Boucher leaves her big brown eyes to the biology class for observation.

Scott Duncan wills his beloved crutch to any toboggan-happy boy.

Kathy O'Sullivan bequeaths her daily trips to the lunchroom to anyone who has 4th period free.

Bob Gagliardo leaves an orange blur.

Ted Tebaldi bequeaths his book, 100 WAYS TO SKIP CLASS, to anyone who is short enough to slip under the door.

All girl typists bequeath their broken nails to Miss Anna Shea.

Jane Schneeloch wills her seat in psychology class to any maladjusted junior.

Diane MacKenzie leaves Mr. Myers alone.

The patrol boys leave early.

Tom Kilbride entrusts "Happy Harry's" coaching boat to next year's manager.

Linda Lambert and Kathy Loyd entrust their mutilated cat to Jungle Jim's janitor, hoping he has no sense of smell.

The "boys" will their sweatshirts to other nonconformists.

Miss Reardon's waste basket inherits Carolyn LaRose's bubble gum.

Carol Eisold entrusts one case of writer's cramp to Mr. Curran.

The members of the class of '63 would like to thank the faculty for all its time and patience with them.

Reflecting upon our past two years at Tech, we juniors will recall how confused and unsure of ourselves we were as freshmen, and how our first year was spent in trying to get organized.

As juniors, however, we were supposedly experienced and familiarized with the procedure here, and we discovered that our once valid excuses such as "I forgot my class" or "I went to the wrong lunch" were now considered worthless. We became accustomed to this quite readily though and settled down to work, showing our worth by having 55 of us qualify for membership in the National Honor Society, and having about 59% membership in the S.A. race. Our spirit showed forth through our two successful Junior dances, the latter being our Prom.

Now as our Junior year comes to a close, we forget the past and concentrate on the next year, when we, at last, will become the Senior class of Technical High School.

Junior Log

Our second wonderful year at Tech began with a new slate of officers. Jacques Auger was our president, and John Drummond assisted him as Vice-president. Evelyn Cram kept a careful record of class activities, while Margo Gregory counted our money.

As we look back over this year, we are filled with pleasant memories. We will always remember, for example, our junior dance, "Moonlight in Autumn," the thrill of finally receiving our class rings, the sense of unity we felt when as a class we decided upon our banner and colors, and our most successful Junior Prom.

We are now looking forward to our Senior year because we know that the year ahead of us will be even better than the year that has passed.

"Mother, this
is John!"

"Haven't you lie-
about Delista!"

"What me worry?"

"Did you see that?"

"Self, an arachnid."

Now that our first hectic year at Tech as the insignificant Freshmen has finally come to a close, we reflect upon the many memories, both good and bad, which we have accumulated, remembering primarily those first bewildering days here and our class activities. After having spent several disheartening hours wandering through the seemingly endless corridors of Tech, we finally became familiar with the school and prepared ourselves for three active years.

When we were finally accepted by the upperclassmen, we were well received at all games and rallies where we displayed typical Tech Spirit. Our enthusiastic support of Tech's clubs and other organizations was also appreciated by our school.

We are now looking forward to next year when, as the members of the junior class, we will be one year closer to graduation.

Secretary
Barbara Chmielewski

In September the frightened members of the Freshman class entered the realms of Tech. It didn't take long, however, for them to get over their self-consciousness and begin their class activities.

They soon held their first election, and when the excitement of campaigns was over and the results were announced, Larry Cote, who was elected president, was in a man's Utopia because his fellow officers were: Mary Ann Allen, vice-president; Barbara Chmielewski, secretary; and Kathy Evans, treasurer.

In the spring the Freshmen held their class dance, which was a great success and is sure to be remembered for many years. The members of the class of 1965 contributed their enthusiastic support to many teams, clubs, and other extracurricular activities. Their presence was also well received at all games and rallies.

"Good luck and

As we reflect upon our years at Tech, we remember not only our teachers and classes, but also the many extracurricular activities which were offered to us. One activity in which everyone participates is S.A. This organization supports many of the other activities at Tech such as the Tech Tiger, Tech News, and band.

In the student patrol, corridor patrol, stage crew, and visual aids, boys find opportunities to serve, while girls may give their time as cashiers, office aids, or library aids.

The Drama Club, Tech Tantrums, and the various foreign language clubs provide a chance to demonstrate one's talents and abilities.

The enthusiastic support which these and other activities such as Pep Squad, cheerleading, National Honor Society, and Student Council receive have helped to make "Tech Spirit" what it is.

Spring Concert

Under the direction of Mr. Kegerreis, the combined Chorale with the assistance of the Girls' and Boys' Chorus, Concert Choir, and the enthusiastic Freshman Chorus, began last year's Spring Concert by displaying their talents with four inspiring songs. Among their selections were the spirited piece of Norman Dell's "A Jubilant Song," and "Carmilla," a Spanish folk song. They closed their part of the program with a moving spiritual, "Oh, Yes, I Do Believe," by John Klain.

The Concert Choir then sang "Your Welcome Smile" by Claudia DeSermisy, and "Echo Song" by Lasso. They showed their weeks of rehearsal by their excellent presentation of the Stephen Foster favorite, "I Dreamed of Jeannie with the Light Brown Hair," and the early American hymn "Wondrous Love."

Led by Mr. Meyers the band excelled with their version of "Maid of the Chariots" from Ben Hur. "Mais" and "Victory at Sea," both difficult pieces, also brought much credit to the band. The band and the combined efforts of the chorus concluded the program with "The Sound of Music."

Mr. Kegerreis

Christmas Concert

On December nineteenth Tech's annual Christmas Concert for the P.T.A. was presented to an appreciative audience of students, parents, and teachers.

Under the able direction of Mr. Murphy, new to Tech's music department this year, the Boys' Chorus sang "God Rest Ye Merry Gentlemen," "Ye Watchers," and "Ye Holy Ones." The Girls' Chorus performed "Sleep, Baby, Sleep," and "Strangers Say A King Is Born." Next the Chorale, a combination of all the vocal groups, sang "Joyful Christmas Song," "Good Christian Men," and "Let Carols Ring." Some of the selections which the Concert Choir performed were "The Twelve Days of Christmas," "Carol of the Polish Grenadiers," "Swedish Dance Carol," and "Hanukah Madrigal."

Led by Mr. Myers, the band played "Sleigh Ride," by Leroy Anderson; "White Christmas," by Irving Berlin; and a medley arranged by John Warrington, "Yuletide Festival."

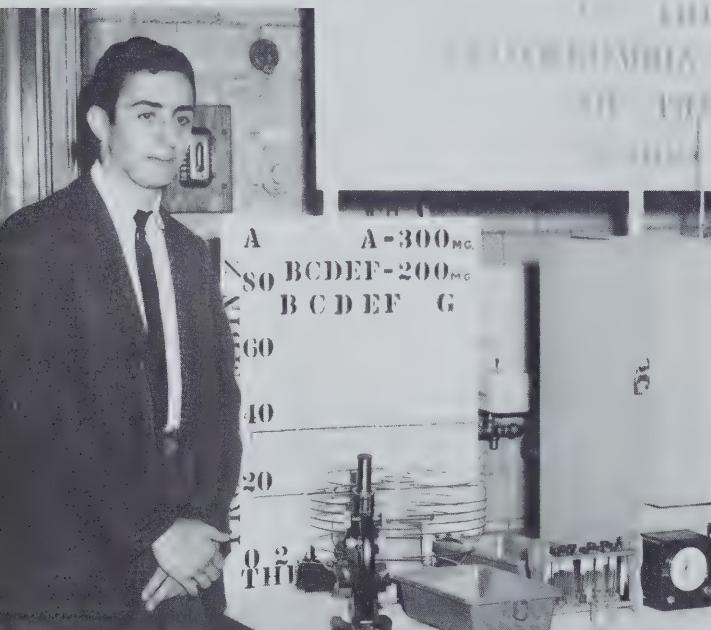

Concluding this fine program was "A Christmas Festival," by Leroy Anderson, which contains "Joy to the World," "Deck the Hall," and other traditional carols.

Mr. Myers

Science

The eighth annual Science Fair, directed by Mr. Charles Allan, took place March 17 and 18 in the Tech gym. The competition was divided into five categories: physics, life science, chemistry, electronics, and mathematics.

First prize in physics went to Charles Robinson '62. Gerry Daugherty '62 took second and Bob Vannini '63 third. Honorable mentions went to John Kallipolitis '63, Edwin Vincent '64, Joseph DeCaro '64 and Michael Malinowski '63. Robinson was the winner of the PTA award. Daugherty placed third in the Regional Fair at the University of Massachusetts which won him \$100. He also went to the State Fair at MIT and placed first in the physics section.

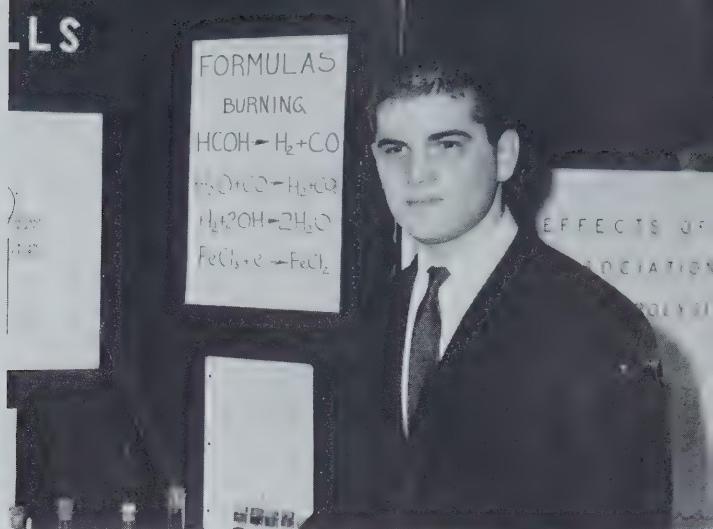

Bob Parker '62 took first prize in the life sciences group. Victor Kaylarian '62 took second and freshman Steve Ziembra took third. Honorable mentions went to Kathy O'Sullivan '63, William Schenck '64, Carol Hearn '63 and David Gourlie '64. Victor Kaylarian won \$25 from the Western Massachusetts Heart Association for his project.

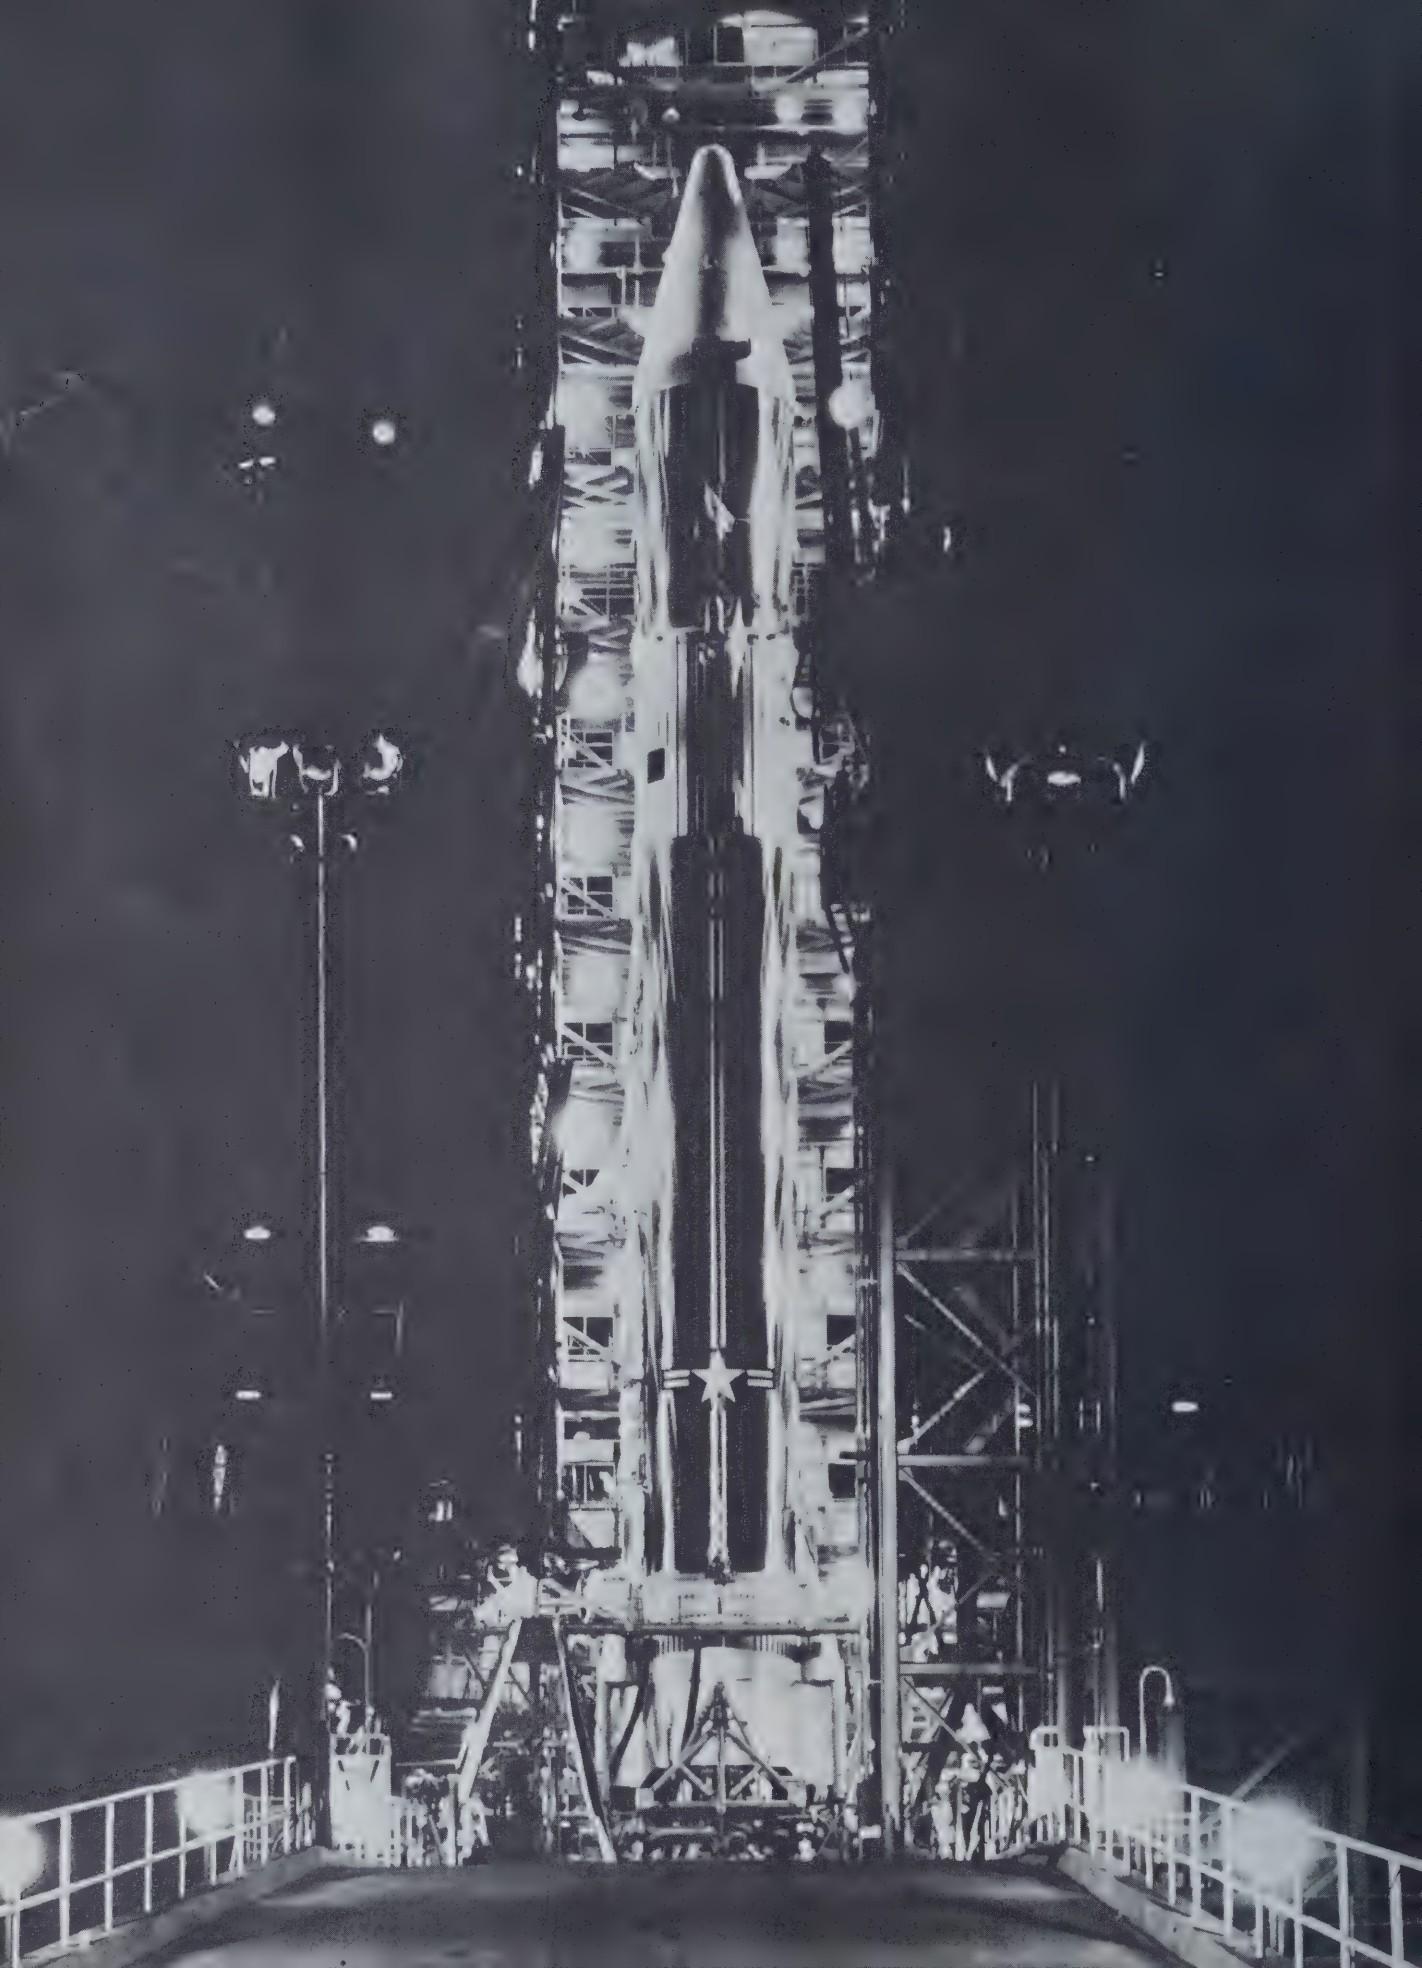

First prize in chemistry went to Richard Holcomb '62. Second prize went to Thomas Huse '62, and third to John Henning '62. John Palotta '62, Walter

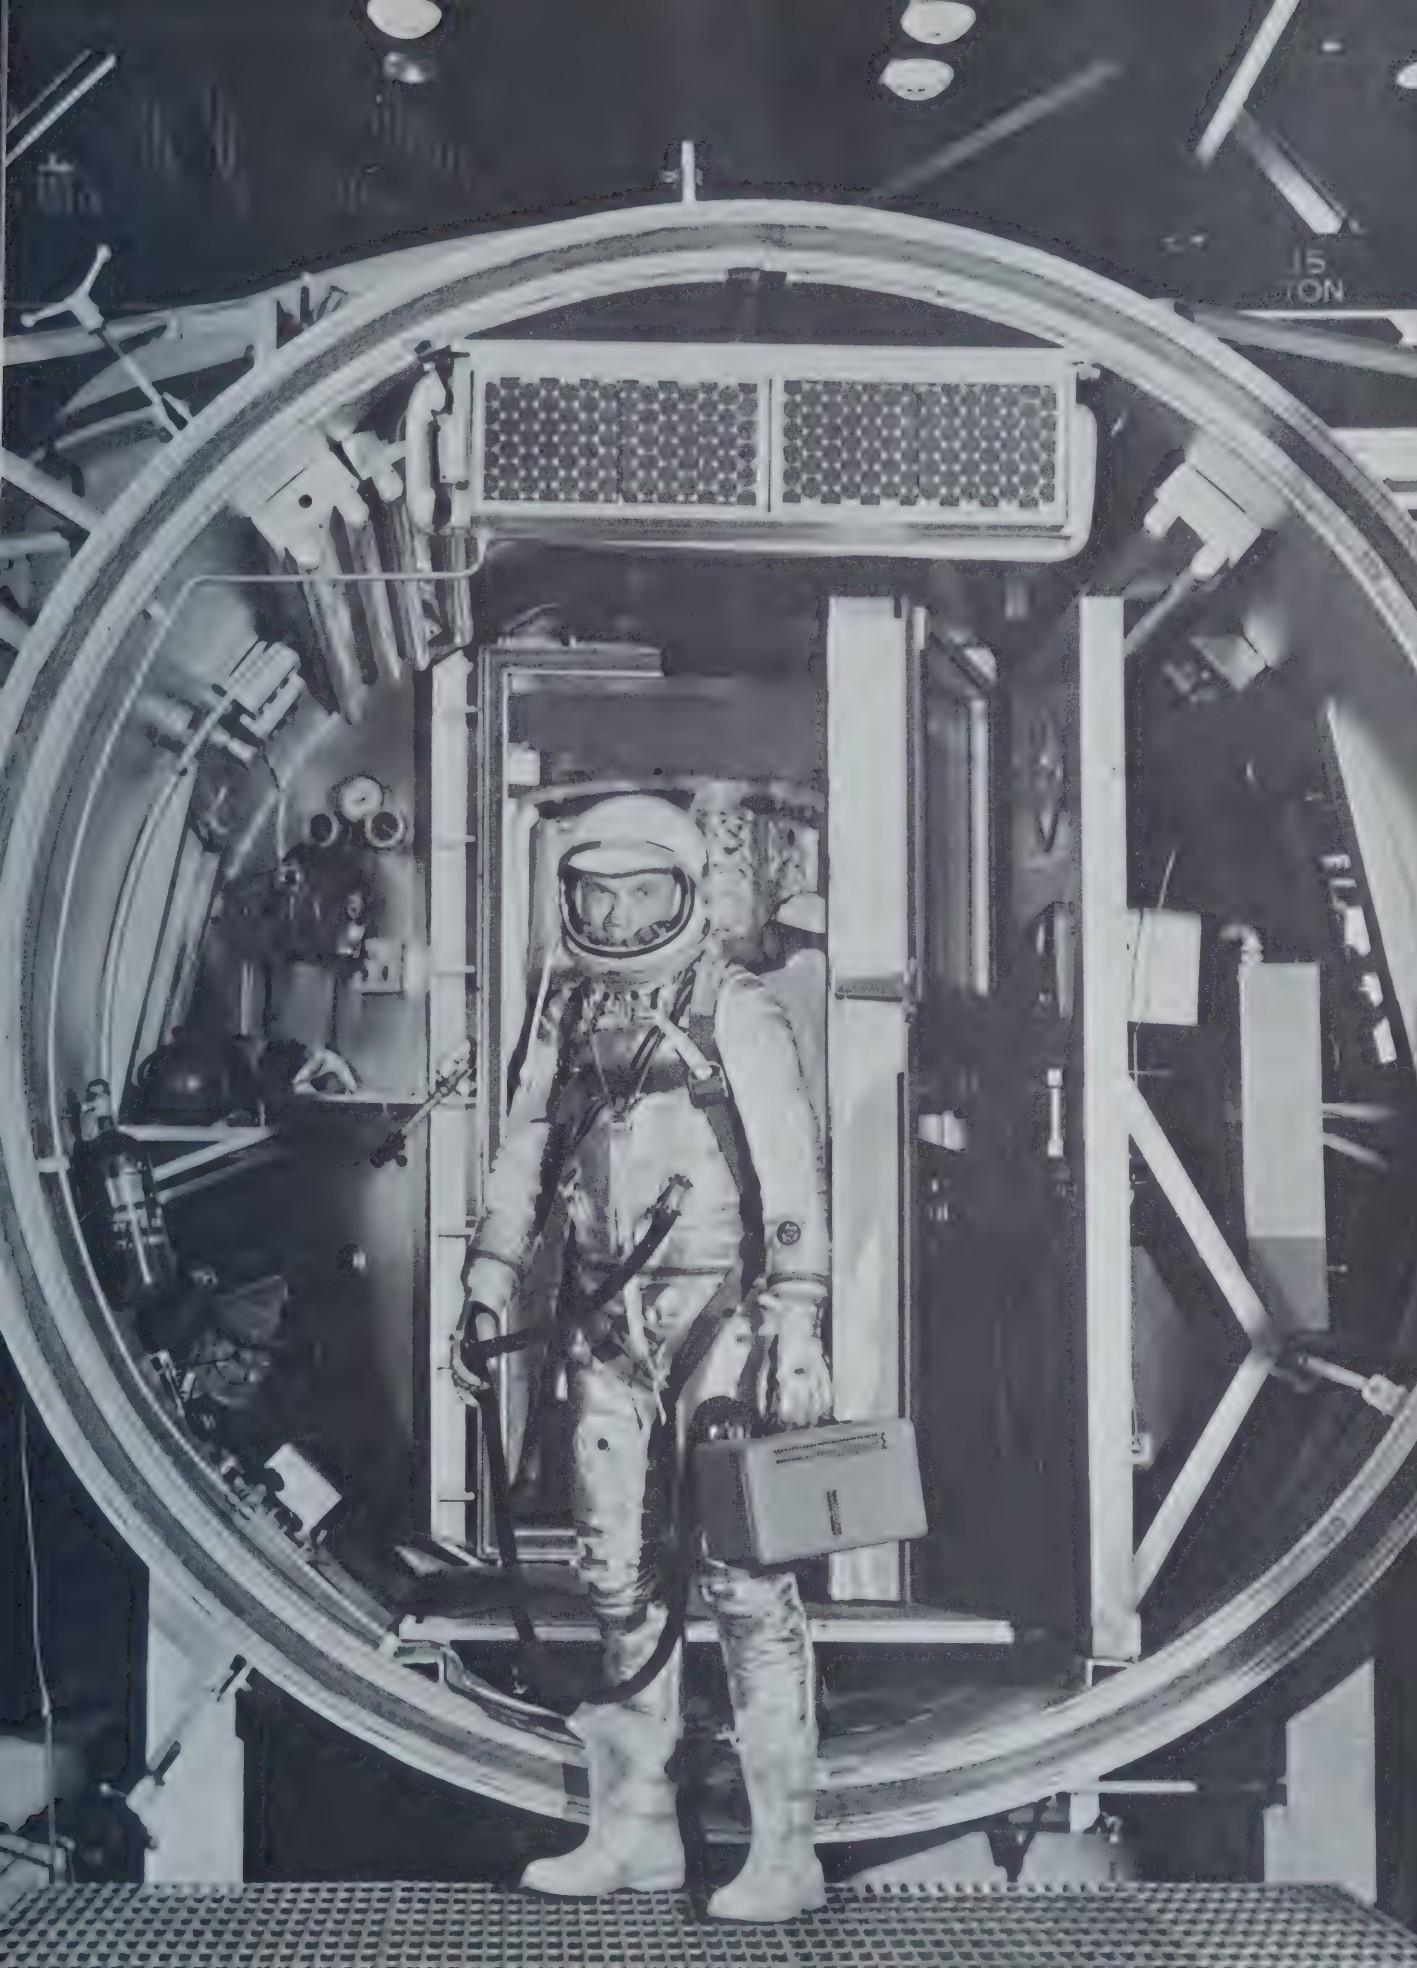

Fair

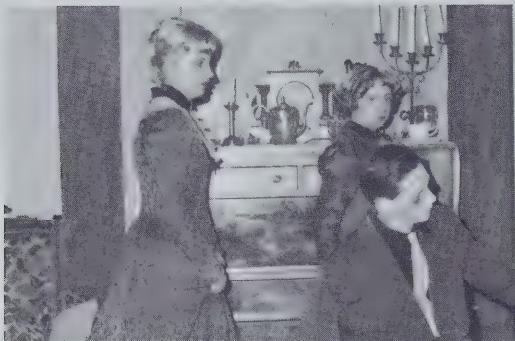

Borys '62, and Gary Barber '62 received honorable mentions. Richard Holcomb was also given special recognition by the Connecticut Valley Chapter of the American Chemical Society. Tom Huse went to the Regional Fair on April 8 and to the State Fair on April 27-29, and received an honorable mention in each competition.

Junior Peter Fredette took first prize in electronics, and won a free trip to New York. Paul Wisiolek '62 won second prize, and David Klimaj '62 took third. Receiving honorable mentions were Clark Godfrey '64, John Hurley '62, and Brian Bishop '62. In addition to the New York trip, Peter Fredette won a fifth prize of \$65 in the Regional Fair, and an honorable mention in the State Fair. He also went to New York on May 6, and placed first in the National Junior Engineer Technical Society Competition. First prize in mathematics went to David Nicoli '62. James Sharrard '62 took second place, and freshman Joyce Bator took third. Nicoli won a second prize of \$130 in the Regional Fair, and first place in mathematics at the State Fair, where he also received a scholarship for \$500.

"Well, uh . . . "

Rallies

"Don't tell 'em nothin'."

"Hey, Ken, I think we're being watched."

Reflecting upon our years at Tech, we recall that the various Tech teams did extremely well against tough competition.

In the fall our football and soccer teams battled against some of the best teams in the state to achieve good records. During the winter hardy Techites, members of the basketball, bowling, wrestling, hockey, and swimming teams braved the snowstorms for a typical show of Tech Spirit. With the arrival of spring, our baseball, crew, golf, tennis, and track teams maintained their excellent records.

We congratulate the members of these teams for their achievements, and thank them for their enthusiastic participation in Tech's athletic activities.

Insuring
Peace of Mind

Many thoughtful persons make their wills, arrange pensions, annuities, and set up insurance programs in advance of need.

May we suggest it is also wise to pre-arrange funeral services.

A personal call at the Dickinson-Streeter office is treated in strictest confidence.

All questions about funeral requirements are answered; and, if advisable, complete arrangements can be made before the need arises.

WITHOUT BREAKING STRIDE,

why not graduate from high school to the Telephone Company? You'll love the friendly young people who'll work with you, and the many social activities that make your work so pleasant and rewarding.

OPPORTUNITY IS EXCELLENT

and your ability will be recognized. Your starting salary should climb with regular increases. And, of course, Company benefits, security, and regular advancement are well-known reasons why working for the Telephone Company is so attractive to graduates.

TELEPHONE JOBS ARE IMPORTANT,

vital to the effective communications of the community, the nation, and the world. When you take your place as a respected member of the telephone community, we'll train you, on full salary, even without previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.

After more than 100 years of contribution to the joy of living and to the happiness and betterment of childhood through its production of toys, games and educational material, Milton Bradley Company looks forward to the future with confidence.

New and exciting things are happening these days in America's classrooms. The teaching profession knows that educating our children properly requires more than bricks and mortar for new school buildings. Progressive educators with imagination are pioneering and experimenting today with the results which could be the conventional curriculum of tomorrow.

Milton Bradley Company's objective lies in its ability to furnish the necessary tools to meet the demands for child training of the future.
